## Techtime Media Kit 2017

Techtime News is an online Electronics Industry magazine published in Israel. Our readers include design engineers, managers, business & corporate management and decision makers in the local Electronics Industry. The website and its weekly newsletter reach about 15, 000 readers a month, and enjoyed approximately 210,000 page views in 2016.

### We bring your products to your customer's Search Engine

You receive:

- Your preferred banner in all the pages
- Editorial coverage and Interviews with key personnel
- Product announcements
- Promoting seminars and events in the website and our newsletter
- Publishing your professional articles and/or white papers: Each article will stay on the front page for one month before moving to inner pages in the relevant categories.
